

Coaching Course Payment Policy

Due to the high number of courses and associated costs required for our coaches the RFL Committee has decided:

1. Club will pay for Head and 1st Assistant's courses. Due to some coaches not completing their course despite agreeing to, the cost of the course will come from Team Funds but will immediately refunded upon completion of the course.
2. 2nd and subsequent assistants will be paid for by team themselves but can be reclaimed from the Club if that Coach has to step up to Head or 1st assistant position
3. Extenuating circumstances must be brought to the Committee by your Section Manager so a decision can be made on the outcome of those circumstances
