

# Training Course Payment Policy

Due to the high number of courses and associated costs required for our coaches and volunteers the RFL Committee has decided:

1. Club will pay for Head and 1st Assistant's courses. Due to some coaches not completing their course despite agreeing to, the cost of the course will come from Team Funds but will immediately be refunded upon completion of the course.
2. 2nd and subsequent assistants will be paid for by the team themselves but can be reclaimed from the Club if that Coach has to step up to Head or 1st assistant position.
3. Requests for additional Coaching Courses due to extenuating circumstances, must be brought to the Committee through [info@thatchoheathcrusaders.org](mailto:info@thatchoheathcrusaders.org) so a decision can be made on the outcome of those circumstances. In these cases, the cost will be paid from team funds and refunded to the team after the newly qualified Coach has been in position for 12 months from completion of the course.
4. To limit expenses incurred by the Club, payment from Team Funds will also apply to other courses our Volunteers are booked on due to not completing their course despite agreeing to, the cost of the course will come from Team Funds but will immediately be refunded upon completion of the course (for example 1<sup>st</sup>.Aid)
